Admission Requirements
Associate Degree in Nursing Program

One class is admitted each year beginning in the fall semester. The number of students admitted is restricted by the number of faculty available to supervise students in the clinical facility sites available. Applications must be completed and filed with the Admissions Office by March 1 in order for applicants to be considered for admission. It is the applicant's responsibility to ensure that all admission material is in the Admission Office by March 1. Any applicant file that is incomplete by March 1 will not be forwarded to the Nursing Admissions Committee for consideration.

A residual admission may occur in August pending space availability in the incoming fall class. Deadline for consideration for the residual admission is July 31. Students are encouraged to keep their file current. It is also extremely important to provide correct contact information.
