Message from the President

Dear Bacone College Mission Partners and Friends:

I am pleased to share with you the 2007-2008 Bacone College Annual Report. This year's report documents the significant next steps that we as a community have made and are striving to make in the coming years.

It has been said that the measure of a community is best determined by the ability to take notes, not dictate them. At Bacone College, we have been taking notes and listening to the needs of our campus community.

In the Spring of 2007, we graduated our largest class ever with 90 students earning a Bachelor degree, and 53 students earning an Associate degree. This spring, we have our largest spring enrollment in the history of Bacone College. We are able to take these next steps in the legacy of Bacone College through your faithfulness and generosity.

Through careful stewardship and preservation of tradition, Bacone College has served a diverse community of learners and leaders for well over a century. We maintain our commitment to serving American Indians within a culturally diverse community offering value and opportunity in a nurturing Christian environment.

Although many of our students experiences and backgrounds are vastly different, most have one thing in common – the financial aid that they receive from Bacone College making it possible for them to get the most of their college experience.

On behalf of our students, I thank our friends and benefactors. We are grateful for your financial and moral support. Your gifts make it possible for us to provide the education we are known for. Your prayers keep us safe and focused on our mission.

Rev. Dr. Robert J. Duncan, Jr.
President
Professor of Religion

"Through careful stewardship and preservation of tradition, Bacone College has served a diverse community of learners and leaders for well over a century."

Rev. Dr. Robert J. Duncan, Jr.
President
Professor of Religion

"Bacone continually develops activities and programs that ensure students get the guidance, support, and knowledge they need to achieve their personal and career goals."

Dr. Robert K. Brown
Vice President and Dean of Faculty
Professor of Education

Academics

With thirty-one associate and bachelor degrees, Bacone College serves its mission with integrity in addressing the higher education needs of American Indians in an environment of cultural diversity and Christian concern. As such, Bacone continually develops activities and programs that ensure students get the guidance, support, and knowledge they need to achieve their personal and career goals.

2005 - 2007 Enrollment Comparison - Spring Semester

Academic Year	FTE	Headcount
2005	797	725
2006	874	788
2007	955	837

2005 - 2007 Enrollment Comparison - Spring Semester

Academic Year	FTE	Headcount
2005	899	795
2006	1081	958
2007	1012	884

Bacone provides effective teaching and student learning through its qualified faculty and knowledgeable administrators who work to provide the necessary support services students and faculty need to create a vibrant learning community. Documenting its ongoing commitment to quality instruction is the fact that over the past eight years, Bacone's full-time faculty with doctoral degrees has increased from approximately 6% to 60%. In addition, innovative teaching and learning advances are taking place within academic programs through collaborative agreements with outside agencies and corporations providing students with unique internship experiences. To make learning more accessible, study areas with Wi-Fi access are available in the Bacone Library and in many places on campus providing learners with easy access to more than one million full-text documents accessible online anywhere in the world where one can connect to the Internet. The College's affiliation with the International Learning Styles Network and our own trained and certified staff provides our students the ability to thoroughly understand and capitalize upon their personal styles of learning helping to insure their academic success. Furthermore, the creation of the Division of Academic Support, home to the College's Student Support Services TRIO program, provides students with extensive tutoring and academic mentoring opportunities to help students keep their "eyes on the prize" of attaining their goals.

Comparative data
3 year average
2006 - 2008

Academic Year	Applicants	Admits	Accepts
2006	294	68	9
2007	259	5	1
2008	621	66	15

“Our commitment to our native students is exhibited not just through our pledge to provide scholarship for the most financially deserving students, but to also provide programs that encourage these students to connect culturally with their native heritage.”

Shelli Hopkins
Interim Vice President of Student Life

Student Life

Bacone College continues its commitment to a culturally diverse student population which has been the springboard of at least three pilot programs. These three initiatives are the Native American Students of Promise Program, the Native Learning Work Community, and the Native Club Teams. These programs are allowing us to increase the number of Native American students who are resident on our campus through the intentional recruitment of students into these programs.

Our commitment to our native students is exhibited not just through our pledge to provide scholarship for the most financially deserving students, but to also provide programs that encourage these students to connect culturally with their native heritage by providing adult mentorship with native staff who are sensitive to particular issues faced by native students. We are committed to providing the financial resources and staff to make these programs a success.

BACHELORS DEGREE IN CHRISTIAN MINISTRY

With the approval of the four-year degree in Christian Ministry, we currently have 14 majors. Two of our Christian Ministry majors are active pastors in local congregations who wish to complete their education. We look to this group to provide leadership in our Christian outreach across the campus.

MASTERS IN THEOLOGICAL STUDIES WITH CENTRAL BAPTIST SEMINARY

We took the next step in our Trajectory plan by developing a relationship with Central Baptist Theological Seminary to offer their Master of Theological Studies on our campus.

SECOND DOCTOR OF MINISTRIES COHORT BEGINS

The second cohort of Doctor of Ministry students in the Drew @ Bacone Oklahoma Cohort began meeting on the campus of Bacone College during 2007. Eleven students from as far west as Garden City, KS and as far east as Hot Springs, AR will be meeting on our campus for the next three years.

"As Bacone College rises to the challenges facing Higher Ed today, we often find our goals and objectives uniting as the same vision comes to mind for our team: a safe and secure place to educate, learn, and worship."

Cassie Doupe
Interim Chief Financial Officer

Business & Finance

As a private institution, Bacone College has long recognized the need to raise funds to maintain a strong financial position and to be able to provide a quality education in the fulfillment of its Mission Statement. We depend on financial support from the American Baptist Churches, Daughters of the American Revolution, Foundations, Trustees, Churches and many wonderful individual donors. They help keep the dream of a college education alive for many students who would not otherwise have the means to attend school.

Revenues and Expenditures

REVENUES	2007
Tuition & Fees	$7,804,949
Institutional Scholarships	(4,887,618)
Sales & Services	2,173,444
Federal & State Grants	2,193,657
Endowments	629,634
Contributions	3,922,132
Other Income	56,691
Total Revenues	$11,892,889

EXPENDITURES	2007
Instruction	$3,748,221
Instituitional Support	3,592,742
Student Services	3,748,221
Auxillary Enterprises	875,007
Total Expenditures	$11,964,191

NEW LIFE FOR OLD BUILDING

We were thrilled this year to receive a substantial donation to renovate historic Lucy Peters Hall. Built in the early 1920's, it functioned as everything from its original designation as an orphanage, to a storm shelter, to a Christian elementary school, and now hosts such events as Presidential Conferences and Retreats. Because of the donation by Mrs. Margaret Goatcher, we were able to update the heating and cooling units to bring the building back online. Another donation allowed us to renovate the kitchen and bathroom areas.

Intellectual Capital Projects

INTELLECTUAL CAPITAL PROJECTS	
Endowed Chairs	$1 million
Named Endowed Scholarship	$100,000
Local Church Endowed Scholarship	$10,000
Current Use Scholarship, yearly	$3,000
Current Use Scholarship, a semester	$1,500

A PASSION FOR EDUCATION

As part of our 125th Anniversary Capital Campaign, Bacone received gifts to renovate classrooms. These funds were used to paint and carpet, buy new desks and chairs, and install technology to enhance the classroom experience. The donors could see how a new classroom energized not only the students, but also the faculty and staff as well. This really translates to a passion for education, and that is what the Campaign is all about.

Financial Assistance

	2006-2007	2007-2008
Alternative Student Loans	$33,820	$11,767
Federal Grants	$1,913,833	$2,024,463
Federal Stafford Loans	$4,505,407	$3,917,352
Federal Work Study	$68,363	$65,966
OK State Student Aid	$641,680	$828,729
Bacone Student Scholarships	$2,790,121	$3,012,590

The Bacone Fund is the annual giving program at Bacone College, and it supports the Current Dollars for Current Scholars campaign. This program helps provide scholarships to students in need who are currently enrolled. The Bacone Fund also helps enhance existing academic programs such as the Nursing Program and the Native American Art Program. Enhanced program support will help restore Bacone College's fine arts program to a leadership position in the Native American art world.

Bacone College has many Gift Opportunities that will allow you to express your passion for education.

ENDURING PARTNERSHIPS

Bacone College has many devoted supporters who have come to the aid and helped us throughout the years. One of our most cherished and enduring partnerships is with Mrs. Virginia Palmer, a philanthropist of magnanimous generosity. She has donated millions to Bacone College, and has past served on the Board of Trustees. The Palmer Center, named in recognition of her outstanding donations, is the hub of the Student Center, Student Support Services, Palmer Gymnasium, and many other student-centered offices.

Capital Projects

CAPITAL PROJECTS	
Conversion of Wacoche Hall	completed
Conversion of Lucy Peters Hall	completed
Residential Housing	$650,000
Museum Restoration Center	$500,000
Centerpiece Sculpture	$75,000
Science Labs Restoration	$50,000
Classroom Renovation	$5,000
Faculty Office Refurbished	$3,000

Bacone is looking for opportunities to partner with others who remember the past, can envision the future, and want to maintain the legacy of Native America. Bacone College, The Place You Need to Be!

"It takes more than technology to provide for a good learning environment. Student safety has to be a priority."

Mike Chiesa
Special Assistant to the President
For Operations

Operations

While academic and athletic programs are the foundation of the school, it takes support from Operations to ensure the success of those programs.

Through donations we have been able to upgrade classrooms and provide video projectors in many classrooms. Wireless Internet capability is available in many areas, such as our Nursing building, Theatre, Student Support area, Snack Bar and Library. The Library has 12 computers to provide for general computer use. Two computer labs with 23 machines in each for use in Computer Science as well as general education programs. Student Support Services also has a lab for use by students who qualify for that program.

The dorms have been upgraded with high-speed cable modems, which allow for open access to the Internet. Most rooms have direct connections, those that don't are covered by a wireless system. On-line support for classes is provided through Moodle. This allows faculty and student to maintain a flow of information beyond the classroom.

It takes more than technology to provide for a good learning environment. Student safety has to be a priority. Our campus houses a sub-station of the Muskogee County Sheriffs Department. They provide security for our Students, Faculty, and Staff throughout the day. Card access systems utilizing ID cards provide security for our buildings as well as identification. Working closely with Student Life enables us to provide timely warnings of emergency situations.

We also support off-campus events for both Athletics and Student Life. Our Motor Pool includes four 40-passenger buses in addition to two recruiter vehicles added this year. They have distinctive markings to help advertise the school as they travel.

Keeping things comfortable is also necessary. Maintenance and housekeeping are responsible for a neat and clean campus. With over 150 acres and 31 buildings, plus the Bacone Inn with 124 rooms, there is never a shortage of things to do.

"Bacone College is committed to provide meaningful and applicable learning opportunities to promote the ideal of life long learning in today's global society."

Dr. Jerri Stoutermire , Ed.D., Dean
Division of Enrollment Management
Division of Adult Education

Enrollment Management

Bacone College is enthusiastically engaged in realizing our mission to provide value and opportunity to our current and future students. We are a student-centered institution providing a quality educational experience that encourages the development of essential and professional skills for a rewarding and fulfilling lifetime of achievement. As Dean of Enrollment Management, I am charged with overseeing all aspects of prospective student services, advising, and the Division of Adult Education. With the help of the knowledgeable and caring professionals that make up the division, our goal is to support the efforts of our students to make the most of their academic and extracurricular experiences at Bacone College.

As a private four-year liberal arts institution of higher education, we pride ourselves on achieving academic excellence in a nurturing, multicultural, Christian environment. Founded in 1880, Bacone College has both a rich Native American and Christian heritage that we embrace in all aspects of our academic and extracurricular activities.
