What can I do with my major...

PROGRAM DESCRIPTION

Graduates with a major in Sports Management could pursue jobs as: athletic directors, coaches on any academic level, sports team managers, armed forces sports coaches, sports administrators in private or semiprivate enterprises, municipal sports directors, front-office personnel and administrators with professional sports organizations, public colleges, and universities (facilities, marketing, and sports information), and in businesses that have a strong sports emphasis. In addition, graduates could go on to pursue graduate degrees that may prepare them for highly specialized jobs in sports.
