

Bacone College Student Email Accounts

Each enrolled student is provided with an email account. Your student email address consists of the first four letters of your last name and the last four numbers of your CAMS student ID number that is listed on your class schedule.

You may access student e-mail by going to Bacone's Homepage, www.bacone.edu. Once you are there, look directly below the words "Bacone College" and click on students. This will take you to the student page. On the left side under Main Menu, click on Student E-mail.

The student email address is **(First 4 + Last 4)@student.bacone.edu**. Students may also access their email at <http://webmail.student.bacone.edu> using the initial password of "warriors".

Students should check their Bacone email for messages from their instructors, advisor, and important campus notices.

Should you have trouble logging in, click on the HelpDesk ticket on the Bacone College Homepage to report your problem.

To Access Moodle:

On the Bacone College Homepage, click on **Moodle** which is located on the right side of the homepage. Your username is the first four letters of your last name and the last four numbers of your student ID. Your initial password is "warriors".

Under Course Categories, click on Adult Education, then click on the current semester. All classes are listed in that section.

If you are unable to log-in to your student e-mail and/or Moodle, please open a **Help Ticket** which is located on the Bacone College Homepage. You will receive a response from them within an hour from the time you sent your ticket.
