What can I do with my major...

PROGRAM DESCRIPTION
Graduates with a major in Recreation Management may desire to work in professional settings such as: church recreation, therapeutic recreation, directors of city recreation departments and private health clubs, ski instructors, aquatic supervisors, guides for wilderness trips, intramural sports directors, correctional recreation, adventure sport recreation, personal trainers, and corporate fitness directors. Graduates may also desire to pursue graduate degrees that may prepare them for highly specialized jobs in recreation or recreation management.
