

Our History, Your Future

Bacone College was begun in 1880 as Indian University - but not as an “ivory tower” escape from the world. Instead, Bacone was founded to inspire students to rise above injustices of their day. For nearly 140 years, Bacone has equipped students to do more than enter the world – Bacone wants to help you transform your world. Today, our students and graduates lead this Mission into our 21st Century. Join us and become a Warrior!
