

Scholarship Programs

Bacone College is committed to helping students earn a college degree. Because of this commitment, over 90% of Bacone students receive some form of financial aid, including scholarships, to help them meet the costs of a college education. Scholarships are available in all academic degree programs, student athletic programs, and through many extracurricular programs on campus (see the list below). Some of Bacone's scholarships are merit-based while many others are need-based. Please contact the appropriate office also identified below to obtain eligibility requirements for a particular scholarship. (Completion of the FAFSA is required)
